 - (b) at the request of the Minister, transferred to the Minister or his nominee all rights to and in respect of the insured loan and all collateral or other securities therefor; or

3. The amount payable under this policy shall be —
- (a) where paragraph (a) of Condition 2 of the policy applies, the difference between the amount realised on sale and the settlement value of the property; or
- (b) where paragraph (b) or (c) of Condition 2 of this policy applies, the settlement value of the property; or
- (c) such amount as may be agreed upon between the insured and the Minister pursuant to Section 22(2) of the Act; and in calculating the amount payable, amounts received for the credit of the mortgage account shall be appropriated, first to interest then owing on the mortgage account, secondly to lender's costs, and thirdly to principal owing on the mortgage account.
